

VICTORIA HALL

S A L T A I R E

Parking near Victoria Hall, Saltaire

Victoria Hall is a beautiful Grade 2* listed building at the heart of the UNESCO World Heritage Site of Saltaire. In Sir Titus Salt's day, he hadn't arranged parking for the venue, so we don't have a designated car park for clients and their guests. There is however a choice of car parking options available in the local vicinity.

Disabled Parking Spaces/Access

There are five disabled parking spaces nearby, on Victoria Road, Mawson Street and in the Exhibition Road and Caroline Street car parks.

- Level access is available on the Lockwood Street side of the hall. There is a buzzer which attracts the attention of our staff in the entrance foyer if the door is locked. Lift access to the Main and First Floor of the venue is available on the left hand side, just as you enter.
- The Victoria Hall main entrance has a path with seven steps up to the door and another four steps inside. Street parking may be available (2 hour limit).
- Exhibition Road rear entrances (loading / unloading only) has two steps up from the pavement and 18 steps up to the main hall access door. Street parking may be available.

Loading/Unloading

- Level access and the lift are at the Lockwood Street side entrance. One vehicle at a time can stop for loading purposes (there are no parking spaces).
- It may be possible to have parking cones put out front on the morning of a wedding for a wedding car. Please contact us to arrange.
